SIEMENS

The Global HR Organisation in Brande wants to strengthen one of their business segments by employing an experienced HR Business Partner, to establish recruiting strategies and HR Development programs to support commercial requirements.

The position refers to the Director of Global HR.

As mentioned you will be responsible for recruitment strategies at senior management level and you will be an active sparring partner for the segment Management Team concerning strategic HR. Other key tasks will be career development and talent growth, executive compensation and incentive programs.

You will play a key role and be evaluated on the effectiveness of your HR strategies and programmes to support the global growth strategy.

The ideal candidate is currently working at HR manager level in minimum a medium-sized global knowledge company, which acts through or in concert with foreign competency centres/business units.

You have extensive experience with business focused global HR development, talent management and implementation of effective recruiting programs.

You are politically and tactically adroit, and have the ability to act in an international sphere with many interests. In your cooperation with others you are positive, direct and informal.

Salary and employment conditions are negotiated individually at an attractive level.

For further information, please contact us on tel.: +45 7519 1938.

Mail your application and CV in Word or PDF (in English) to: job@frontpeople.dk with reference code HRBP411.
